

Benefits of Being a Provider for AmeriHealth Caritas Pennsylvania

- We are part of the AmeriHealth Caritas Family of Companies.
- We are an NCQA-accredited company.
- We have been serving voluntary Medicaid members since 1988.
- We have been serving HealthChoices Medicaid members since September 2001.
- A dedicated account executive services your office.
- Your account executive hand-delivers your educational packet.
- We offer an extensive provider network.
- We focus on and service the Medical Assistance population.
- Our Provider Network Management department offers provider symposia twice yearly in multiple geographic territories.
- We offer a variety of payment enhancement programs for providers, such as:
 - Quality Enhancement Program (QEP).
 - Targeted complete coding claim payments (CDPS).
 - Incentive payments for select HEDIS campaign measures.
 - Incentive for OB practitioners submitting a completed Obstetrical Needs Assessment Form (ONAF) on members newly identified as pregnant.
 - Incentive payments for critical quality incentive alerts.
- Care and disease management teams are available to support you and your patients.
- We offer signature outreach programs, including:
 - Women’s Wellness Initiative.
 - Children’s Art Program.
 - Healthy Hoops®.
- We listen to provider suggestions.
- We readily adopt electronic solutions to streamline efforts and expenses.

The Health Care Plan You Deserve

Who is AmeriHealth Caritas Health Plan?

AmeriHealth Caritas Pennsylvania is a Medical Assistance (Medicaid) managed care health plan serving Medical Assistance recipients in 26 counties.

AmeriHealth Caritas strives to be more than a health care company. We want to be the medical home for members who need personal attention. We are known by our business partners for getting involved, staying committed and achieving real results for our members.

What is our goal?

Our goal is to help improve the health of our members by reaching them in the communities where they live. We get to know the unique characteristics of each community to determine the most effective and lasting contributions to our members' health. Our community partners and our members value the support we provide and the programs we offer. We achieve this goal through numerous outreach efforts and programs, described below.

Health education programs — AmeriHealth Caritas has health education programs that stress the importance of early detection, preventive care and healthy behaviors. We offer health education classes to the community on a topics such as asthma, diabetes, cardiovascular health, maternal health and children's health. We also offer presentations on bullying, medicine safety, poison prevention, youth sports safety and teen health.

Healthy Hoops® — Healthy Hoops is an innovative, community-based asthma education program that uses basketball as a platform to educate young asthmatics and their parents about how to manage the disease through appropriate medication usage, proper nutrition and monitored exercise.

Women's Wellness Initiative — The Women's Wellness Initiative addresses spiritual, social, physical, mental and environmental health factors that influence women's health. The Women's Wellness Initiative focuses on heart disease, breast cancer and cervical cancer.

Childhood obesity — The Healthy You-Healthy Me Initiative addresses the childhood obesity epidemic. It focuses on increasing physical activity, improving nutrition through smart snacking, increasing consumption of fruits and vegetables, and increasing healthy lifestyle awareness.

CARE IS THE HEART OF OUR WORK

Our mission

We help people get care, stay well and build healthy communities.

We have a special concern for those who are poor.

Our values

Our service is built on these values:

- Advocacy.
- Care of the poor.
- Compassion.
- Competence.
- Dignity.
- Diversity.
- Hospitality.
- Stewardship.

The Health Care Plan You Deserve

Integrated care management — This program is designed to help members better understand their disease diagnosis and health care needs. This special program provides information, educational materials and care management support to coordinate members' health care needs. We have programs for the following conditions:

- Heart failure.
- Coronary artery disease.
- Chronic obstructive pulmonary disease (COPD).
- Hemophilia.
- Pregnancy.
- Diabetes.
- Asthma.
- HIV/AIDS.
- Sickle cell anemia.

Children's Art Program — Each year, children participating in this program are asked to submit original works of art about a selected health-related theme, allowing young members to express themselves creatively through art.

We can help!

AmeriHealth Caritas is eager to become part of the communities we will serve and to work with respected community partners. We hope you will join with us to build healthier families and communities, and achieve health care outcomes we can all be proud of.

If you are planning a community activity, such as a health fair, we will be happy to attend to provide information on preventive health initiatives. AmeriHealth Caritas can also provide speakers for your school, civic or faith-based groups.

Notes:

- Copays do not apply to members who are:
 - Pregnant (including postpartum care).
 - Under 18 years of age.
 - 18 through 20 years of age and qualify for Medical Assistance under Title IV-B Foster Care or Title IV-E Foster Care and Adoption Assistance.
 - In a long-term care facility (nursing home) or other medical institution (for example: intermediate care facility for mental retardation [ICF/MR]).
- Copays do not apply to services provided in an emergency situation or items costing less than \$2.
- For additional information about existing prior authorization policies and claim processing edits, please consult the AmeriHealth Caritas Pennsylvania Member Handbook or the AmeriHealth Caritas Pennsylvania Drug Formulary.
- Certain drugs do not have copays, such as:
 - High blood pressure drugs.
 - Cancer drugs.
 - Diabetes drugs.
 - Epilepsy drugs.
 - Heart disease drugs.
 - Mental health drugs (except for anti-anxiety drugs that are controlled substances, such as alprazolam and diazepam).
 - Anti-Parkinson's disease drugs.
 - Anti-glaucoma drugs.
 - Drugs used only to treat HIV/AIDS.
 - Drugs, including immunizations, that members can get in a health care provider's office.

This is not a complete list of services that do not have copays. Please call Member Services with questions.

A provider participating in the Medical Assistance program may not deny covered care or services to an eligible Medical Assistance recipient because of the recipient's inability to pay the copayment amount. [55 Pa Code §1101.63(b)(7)]

This managed care plan may not cover all your health care expenses. Read your contract carefully to determine which health care services are covered.
