OVERVIEW

This guide offers step-by-step instructions on how to use NaviNet to complete the Provider Data Information Form (PDIF) and the Patient Acceptance Form. The PDIF and the Patient Acceptance form are online forms that allow providers to:

- View current provider information.
- Submit edits and updates to provider information.
- Attest to the accuracy and completeness of current provider information.
- Verify or change patient acceptance status for individual practitioners at each practice location.

In this guide, you will find information on how to:

1. Login to NaviNet.
2. Access the PDIF and Patient Acceptance form.
3. Review and attest to existing provider information.
4. Make and submit provider information and patient acceptance updates.

Before You Begin

NaviNet Permissions

Check with your NaviNet Security Officer to confirm that you have been granted the appropriate access to the workflows you need. If your NaviNet Security Officer has not enabled the appropriate Document Exchange category “Info Request”, please ask your Security Officer to follow the steps outlined in [Appendix A](#) in the “Supplemental Information” section of this guide.

Provider Self-Service

Once you click submit, the Provider Self-Service page will open in a new tab.

10. Click **Proceed To Provider Updates** to initiate the PDIF workflow.

This will take you to the Provider Data information Form (PDIF) and will also allow you to complete the Patient Acceptance form.

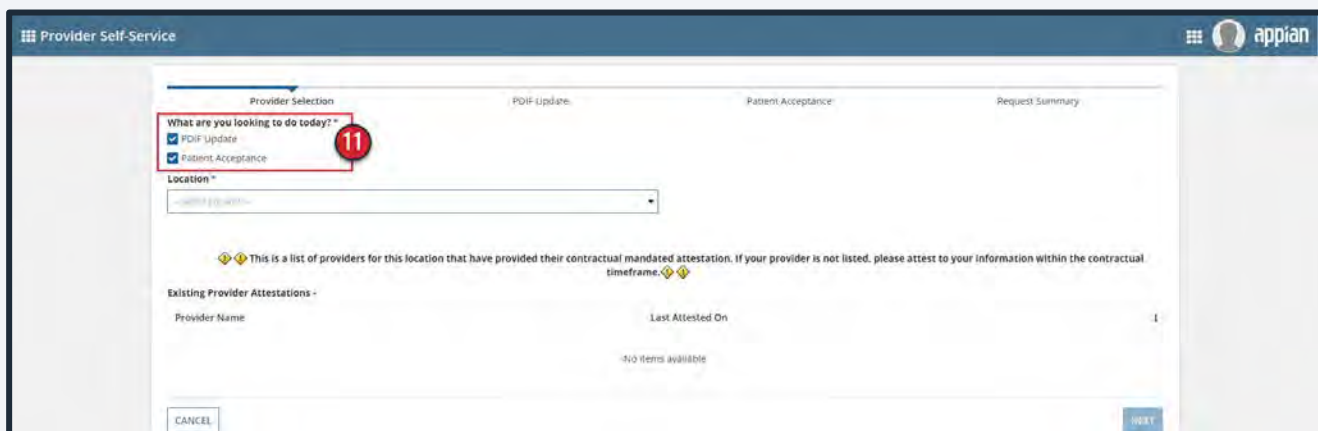

At the top of the screen, you will see a question asking: What are you looking to do today?

11. Check the appropriate box(es) based on which task(s) you are looking to complete

- PDIF Update – Review, edit, and/or attest to provider demographic information.
- Patient Acceptance – Complete a five-question survey about patient acceptance for each practitioner at each practice location.

If you check both boxes, you will be prompted to complete the PDIF before being directed to complete the Patient Acceptance form.

Multiple Providers

If you select more than one provider at a time, you will be prompted to complete a PDIF and/or Patient Acceptance form for each provider.

Once you complete and submit the first form, a new form will display for the next provider in the list. As you work through each form, new forms will continue to display until you have completed all forms for all subsequent providers selected. A progress bar at the top of the screen shows where you are in the workflow at any given time.

The screenshot displays the 'Provider Self-Service' interface. At the top, a progress bar shows three steps: 'Provider Selection', 'PDIF Update' (current step), and 'Patient Acceptance'. A 'Next Provider: Jane Doe' button is visible in the top right. The main content area is titled 'Details of Provider John Doe'. Below the title, there is a note: 'AmeriHealth Caritas AmeriHealth Caritas Pennsylvania has the following Provider Demographic information listed below. Please update accordingly if any discrepancy is noted.' A warning states 'Fields in (*) asterisk are mandatory'. There is a checkbox for 'Provider Termination?'. The 'Provider Demographics' section includes fields for Facility Name, Individual Practitioner Name, Individual NPI, Tax ID, Practice/Group Email Address, Web Address, PCP (Yes/No), and Taxonomy. The 'Primary Address' section includes Address Line 1, 2, and 3, City, State (PA), Zip, Phone Number, and Fax Number. A 'Work hours' section is partially visible at the bottom.

Appendix B: Alternate Workflow – Notifications via the Activity Tab

About Access

In order to receive future “Notifications” in the Activities tab (as described below), and to access the “Practice Documents” (workflow in Appendix C), you must first complete the mandatory User Attestation for the Billing Entities associated with your practice. This important step confirms that you are authorized to access the data in these workflows. If you have not already done so, please complete the steps for [Completing a Patient Acceptance Form on pages 13-15](#) of this guide to enable your access to receive notifications and use Practice Documents.

About Workflows

The steps below describe the Activity tab workflow:

1. Click on the **Activity icon** in the upper right corner of the screen (bell icon)
2. Click the **Settings Tab** to select the notifications you want to receive.
 - Checking the “Documents requiring action” box means you will receive notifications for PDIF requests.
 - You can also select the frequency of notifications and whether or not you want to receive pop-ups.
3. Once you set up your notifications, click the **X** to close out of the Activity screen.

Appendix B: Alternate Workflow – Notifications via the Activity Tab Cont'd.

Notifications

When new notifications are available, a red badge appears on the Activity icon (). To view your notifications, you can either:

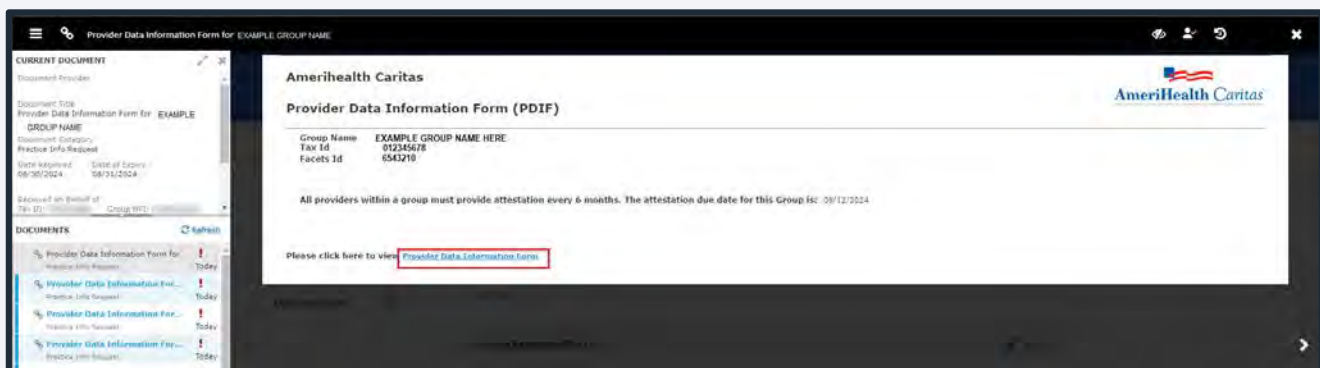

1. Click on **pop-ups** as they appear
 - You can close the notification by clicking Close in the upper-right corner. This does not acknowledge that you read the notification, and it will still appear as a new message in the notification history.

Appendix B: Alternate Workflow – Notifications via the Activity Tab Cont'd.

3. Use the Summary tab within the Activity screen

- Click on the **Responses Requested** or **Unread** to see a list of requests on the left.
- Then, look in the list for “Provider Data Information Form” requests
- When you select a specific request, you will be taken to the individual request record where you can click Provider Data Information Form.
- Continue completing the form by picking up at [step 10 on page 6 of this guide](#).

Appendix C: Alternate Workflow – Practice Documents

About Access

To receive future “Notifications” in the Activities tab (workflow in Appendix B), and to access the “Practice Documents” (as described below), you must first complete the mandatory User Attestation for the Billing Entities associated with your practice. This important step confirms that you are authorized to access the data in these workflows.

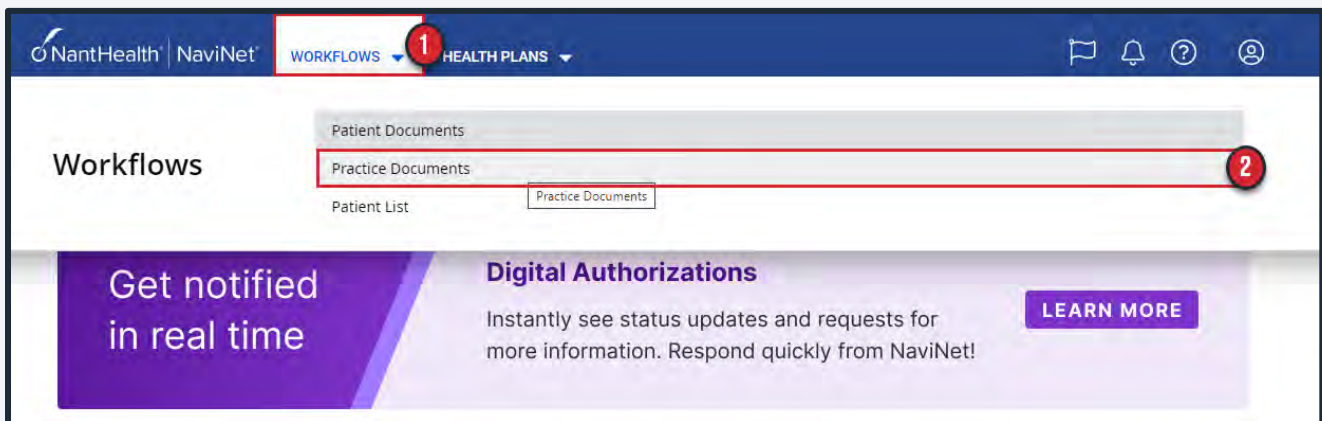

If you have not already done so, please complete the steps for [Completing a Patient Acceptance Form on pages 13-15](#) of this guide to enable your access to receive notifications and use Practice Documents.

About Workflows

The steps below describe the “Practice Documents” workflow. Another way to work PDIF requests is by notification, as requests become “due.” Notifications are managed under the Activity tab, as described in [Appendix B](#) of this guide.

To access the Practice Documents:

1. Click **Workflows** from the menu bar
2. Select **Practice Documents**
